

Mary Krzesicki

Portland, Oregon

EXPERIENCE

Student/Continued Learning, Portland, Oregon

APRIL 2019 - PRESENT

- Run Away Next - A travel blog/personal trip planner for hire website created with Vue and Markdown using Gridsome.
- Simple user database - PHP app that allows users to input basic information to be stored in a MySQL database.
- Virtual Vultures - Static website for virtual jet team. <https://www.vulturejetteam.com/>
- RunawayNext - Django app that allows users to input places they have visited into their personal maps on individual profiles with blog posts that correspond to those locations. Python, Mapbox, JavaScript and HTML/CSS all work together to bring this project to life. <http://marykatkrz.pythonanywhere.com/>
- Bootcamp/Autodidactism - More than 50 small scale projects to learn new languages and frameworks. A highlights list can be found on [GitHub](#).

Radisson Red, Portland, Oregon — Guest Services Representative

NOVEMBER 2019 - APRIL 2019

- Communicated effectively with guests, addressing any concerns they may have had during their stay.
- Became comfortable maneuvering Oracle Hospitality OPERA to provide information for both accounting and sales purposes.

Clay's Smokehouse, Portland, Oregon — Server/Bartender

NOVEMBER 2017 - NOVEMBER 2018

- Handled all aspects of restaurant service, including greeting guests, making drinks, and placing orders.
- Maintained an organized working environment.

Virago, Nashville, Tennessee — Lead Server

JANUARY 2016 - JULY 2017

- Trained new employees both on the steps of service and on the company's Point of Sale system.
- Provided exceptional customer service to guests of the establishment.
